CLUBS ELECTED TO POLO MEMBERSHIP

One Canadian Organization Among Those to Join— Winter Dates Assigned.

By SAMUEL J. BROOKMAN.
Following a preliminary survey of national and international polo questions that have come up since the last meeting in April, the executive committee of the Polo Association at its special meeting at the Downtown Club yesterday decided to leave their disposition to the delegates who will gather at the annual meeting of the association here on January 16. In the main the questions concerned universal rules, future challenges for the international cup, and the award of the American title to tournaments of 1922. It was more of an informal discussion than anything else, and no attempt was made to arrive at a consensus of opinion of the committee, many of whose members were not present.

A good deal of minor business was disposed of, however, to leave the delegates free to take up the important matters at the annual meeting. Tournament dates for the annual winter events on the Pacific coast were assigned, several clubs were elected to membership in the organization and delegates were accepted in place of others who had resigned.
Denver Country Club, which had been an active member of the association before the war, but which had been out of the fold for several years, was readmitted, with Lawrence C. Phillips, Jr., as delegate. Lake Shore Hunt Club of Derby, N. Y., near Buffalo, also was admitted to the association, with Colman Curtis as delegate, and so was the Toronto Polo Club, which will be represented by Col. K. R. Marshall at the annual meeting. The Toronto club is the second Canadian club in the organization, the other being the Montreal Polo Club, which has been a member for many years. The only club to resign yesterday was the Indianapolis Polo Club of Indianapolis, Ind., which had been more or less inactive for five years.

New Delegates Named.
Mac C. Fleischman was elected delegate of the Santa Barbara Polo Club to succeed Dr. E. J. Boeske, who had resigned. As the Myopia Hunt Club delegate Frederick Ayer succeeds Dudley P. Rogers, who is a member of the national executive committee, and William Ziegler, Jr., takes the place of Dr. H. S. Neilson as the delegate of the Ox Ridge Hunt Club of Darien, Conn.
On the coast will be the institution event of the Del Monte Polo Club during the period of January 28 to February 5. It is understood that some of the leading players in the world will make the trip to California to participate in the event. The Del Monte club also held its regular open tournament from March 11 to April 2. The Midwest Country Club of Pasadena has been assigned the dates of February 17 to 27 for its annual tournament and the Coronado Country Club's event will be held from March 11 to March 20.
Only one of the spring tournaments was held yesterday, the regular tournament of the Southern Circuit cup will also be contested for on the Sandhills grounds. This circuit cup was won last season by Camden on the latter's polo field.
While the announcement was made as to the clubs that are in the field for the national championships of 1922, it is understood that Philadelphia Country Club, which conducted the title events last season, will be among them. The championships proved to be among the most successful in polo history at Philadelphia. Within easy travelling distance of the heart of the city, they attracted thousands of spectators daily, and on the afternoon of the open title match nearly 20,000 enthusiasts looked on. The club, which has its home at Baldwinsville, has a strong argument to present at the annual meeting for the retention of the championships.

Regarding the Championships.
Another point that may come up for decision is the advisability of awarding all three championships—senior, junior and open—to one club. Such has been the practice in the past, the argument being that a general gathering of the country's leading poloists at the end of the season was a desirable thing. There are some delegates, however, who believe that while the senior and open tournaments should go hand in hand, the junior championship ought to be assigned to a different club. Whether that view has sufficient support the annual meeting will tell.
William A. Harard, who has succeeded the late Henry L. Herbert as chairman of the executive committee, presided yesterday. The others present were Dudley P. Rogers, of Boston, Louis E. Stoddard of New Haven, member of the international polo team of 1921; Prentiss L. Conoley of Chicago, and W. Hamilton Forbes of Boston, former Governor of the Philippines.

Lafayette Beats C. C. N. Y. in Cross Country Contest
The C. C. N. Y. cross-country team lost its second dual meet of the season yesterday at Van Cortlandt Park where it was defeated by the Lafayette team 18 to 27. The first three meets to finish were all members of the visiting team. "Bob" Crawford, captain of the team, was the individual winner, finishing 600 yards ahead of his nearest teammate. Harper beat out Patent of the Lafayette for third place.
Tracy, the crack Lafayette runner, hurt his leg and was forced to withdraw at the end of the first three miles.
Both the teams are entered in the intercollegiate meet Monday, but it is doubtful if either will compete. Coach Bruce of Lafayette declared after the meet that the participation of his team is improbable, while Coach MacKenzie of the C. C. N. Y. declared that his team would not appear at the meet.

CLUBS ELECTED TO POLO MEMBERSHIP

One Canadian Organization Among Those to Join— Winter Dates Assigned.

By SAMUEL J. BROOKMAN.
Following a preliminary survey of national and international polo questions that have come up since the last meeting in April, the executive committee of the Polo Association at its special meeting at the Downtown Club yesterday decided to leave their disposition to the delegates who will gather at the annual meeting of the association here on January 16. In the main the questions concerned universal rules, future challenges for the international cup, and the award of the American title to tournaments of 1922. It was more of an informal discussion than anything else, and no attempt was made to arrive at a consensus of opinion of the committee, many of whose members were not present.

A good deal of minor business was disposed of, however, to leave the delegates free to take up the important matters at the annual meeting. Tournament dates for the annual winter events on the Pacific coast were assigned, several clubs were elected to membership in the organization and delegates were accepted in place of others who had resigned.
Denver Country Club, which had been an active member of the association before the war, but which had been out of the fold for several years, was readmitted, with Lawrence C. Phillips, Jr., as delegate. Lake Shore Hunt Club of Derby, N. Y., near Buffalo, also was admitted to the association, with Colman Curtis as delegate, and so was the Toronto Polo Club, which will be represented by Col. K. R. Marshall at the annual meeting. The Toronto club is the second Canadian club in the organization, the other being the Montreal Polo Club, which has been a member for many years. The only club to resign yesterday was the Indianapolis Polo Club of Indianapolis, Ind., which had been more or less inactive for five years.

New Delegates Named.
Mac C. Fleischman was elected delegate of the Santa Barbara Polo Club to succeed Dr. E. J. Boeske, who had resigned. As the Myopia Hunt Club delegate Frederick Ayer succeeds Dudley P. Rogers, who is a member of the national executive committee, and William Ziegler, Jr., takes the place of Dr. H. S. Neilson as the delegate of the Ox Ridge Hunt Club of Darien, Conn.
